

LAUNCHING BOAT for landing maneuvers in Redondo Beach King Harbor last week, members of Torrance

National Guard, 132nd Engineer Battalion, prepare to make craft seaworthy just prior to boarding.

FINALLY OFF on landing maneuvers, Guardsmen made two runs in Redondo Beach King Harbor before labeling training program a success. On landing mission,

Guardsmen received training instruction by First Lt. Jack Greenspan, company commander.

LAST MINUTE CHECK takes place before launching, as Guardsmen continue training program to keep them in stage of readiness for any local or

national disaster. Torrance National Guard meets Tuesdays at Torrance Armory on Cabrillo Avenue.

## Library Education Drive Set for Carson Residents

An intensive educational program, planned to inform residents of the Carson area of County Public Library services available in the community, is scheduled to begin this week under auspices of John D. Calas, educational program chairman of the Carson Chamber of Commerce and Chamber President Art Reeves.

Calas, who represents the Carson Public Library as a member of the Region III Advisory Council, said all citizens of Carson should know what library services are available to them.

"County Library service is one of the best bargains that a citizen can obtain from government and I believe that each person should take advantage of all of the vast resources of books, magazines, and other material available at the library," he declared.

He conceived the idea of preparing a concise, informative booklet, listing the location of the three Carson area libraries and detailing services and facilities available. The brochures have now been printed and are ready for distribution.

An initial order of 5,000 brochures will be distributed

by the Boy Scouts, Little Leaguers, and members of other community youth groups beginning either Thursday or Friday," Calas continued. He added that the pamphlets will be delivered to each home so that each family will have the information readily available.

If additional brochures are needed they will be provided he said. Plans call for the leaflets to be distributed to each home in the area bounded by Artesia Blvd., Lomita Blvd., Normandie Ave. and Wilmington Ave.

Informed of Calas' plan to distribute the educational material, County Librarian John D. Henderson declared that this "is one of the finest, most constructive informational programs ever undertaken by private citizens on behalf of the County Library system."

I am particularly pleased that to your groups of the community are going to participate since the County Library is most anxious that our children receive maximum benefits of library service."

participate since the County Library is most anxious that our children receive maximum benefits of library service."

**400 Members Inducted into 'Y'**  
Four hundred members of the Torrance Family YMCA last weekend. Nearly all were fathers and sons joining together.  
On Friday evening, 450 old and new members of the Gra-Y Club program attended induction ceremonies at the Torrance First Methodist Church.  
Fathers and sons nine to 12 years old were inducted by members of the Big Horns Gra-Y Club, Leonard Kane, director of the program, issued a welcome to all entrants to the active youth movement.  
On the following day, the Y-Indian Guides held a colorful parade on the athletic field at Torrance High School. After the parade, Nation Chief John Schulz inducted over 250 new dad and son members into the YMCA program for boys six to nine.  
A historic milestone was passed by Torrance's YMCA Y-Indian Guide program, for with the 24 new tribes just inducted, there are now 100 father and son tribes in Torrance and Lomita.  
Energy may be turned to bad uses; but more good may always be made of an energetic nature than of an indolent and impassive one.  
—John Stuart Mill
